Questions

Has there ever been a time in your life where you felt like God didn't care or wasn't paying attention? When?

BJ talked about how looking up and looking within could help you understand more about God. How can looking up and looking within help you see God better?

Romans 2:14-15 (MSG) states:

“When outsiders who have never heard of God's law follow it more or less by instinct, they confirm its truth by their obedience. They show that God's law is not something alien, imposed on us from without, but woven into the very fabric of our creation. There is something deep within them that echoes God's yes and no, right and wrong.”

What does this passage say about God? What does it say about us?

BJ shared three specific characteristics about God; needless, ageless, and sinless.

Which one of these characteristics amazes you the most? Why?

- *Which one of these characteristics is hardest for you to grasp? Why?*

**How do you treat God's name?
How do people treat it wrong?**

These characteristics of God definitely set Him apart but “For God so loved...” brings it back to a personal level. What does “so loved” say about God? How did He show us that love? How does he show us that love today? Is that love something you could show as well? How?
